

UCS Charity Drive Starts Here Monday

A return of \$33,000 on an investment of \$6,700 during a 12 month period is the dollars and cents picture of the Lemon Grove-Spring Valley United Community Services 1965 campaign which starts here on Monday.

This \$33,000 figure is a conservative estimate of the amount of UCS dollars spent in direct service to residents of Lemon Grove and Spring Valley during the year 1964. An even higher sum is predicted for this year. \$6,700 is the quota asked of Lemon Grove-Spring Valley in the total city and county UCS goal of \$3,779,856.

Documentary figures at UCS San Diego headquarters show the following services to area residents.

Nursing Visits

Under the category of services for the sick or handicapped: Visiting Nurses of San Diego County, 312 nursing visits. Mercy-Guadalupe Clinic, 84 patients from this area. San Diego Speech and Hearing Center, 12 clinical evaluations, 96 speech therapy sessions, 720 hearing education sessions. San Diego

County Association for Retarded Children, 16 children in day training centers. United Cerebral Palsy, 101 contacts on behalf of cerebral palsy victims. Homemaker Service for Children, 6 families, 66 days' care.

Under counseling and other special services for children and adults with problems: Family Counseling Service, 78 families, 382 interviews. Child Guidance Clinic, 4 emotionally disturbed children served. Legal Aid Society, 16 persons served. Salvation Army Door of Hope, 2 girls served, 297 total days' care.

Youth Services

Character building services for boys and girls: Boy Scouts of America, 34 troops, packs, posts, 1336 boys, 436 adult leaders. Girl Scouts, 28 troops, 471 girls, 132 adult leaders. Camp Fire Girls, 21 groups, 222 girls, 86 adult leaders. YMCA, 12 groups, 215 total enrollment. YWCA, 138 program participants.

Other vital services to area residents: Sixteen families provided adoption and related services through Children's Home Society of California. Two local children received a total of 605 days' care and treatment in Boys and Girls Aid Society.

In a statement from Lemon Grove-Spring Valley UCS campaign chairman Alex Woods is this remark: "People of our communities will never have a better opportunity to double their money and more. This is about five to one, how can you go wrong? Remember these figures when the local volunteer asks for your contribution and give generously."

USC 'Fair Share' Giving Guide Listed

Within a few weeks Lemon Grove and Spring Valley business firms and householders will be contacted by local volunteers for contributions to the 1965 annual United Community Services campaign for a county-wide goal of \$3,779,856. As in past years, the most frequently asked question by the giver will be: "What's a fair amount for me to give?"

In answer to this question, a committee of local business people developed the following "fair share" contributions for the business owner: \$10 per person he employs or 5 percent increase over last year's contribution, whichever is larger.

To assist the employed person on salary, the guide below suggests what a fair share of the campaign goal would be for those at various income levels. For hourly employees, an amount equal to one hour's pay per month has been suggested.

Assessor's Silence Breeds Suspicion

San Diego County Assessor John McQuilken's failure to respond to questions regarding possible irregularities in his office has had a discouraging effect on those of us who were his admirers.

It is a solid fact that he has not been proven guilty of any wrongdoing whatsoever—nor, indeed, has he been so charged.

His only fault, so far, has been his refusal to answer questions put to him by those representing the public—such as the district attorney.

It was D. A. Don Keller who first asked McQuilken to answer questions that might ease the suspicion surrounding several assessors' office in California. Discrepancies in assessment practices have been unveiled by a diligent San Francisco newspaperman, Michael Harris, a reporter on the S. F. Chronicle who is a specialist in revealing secrecy in government.

Harris did a series some years ago on public meetings' secrecy, and was later to write the preamble to the Brown Act—the act which opens public meetings to the press.

Harris recently directed his attention to assessment practices in California and provided reportorial evidence that there was considerable hanky-panky going on in the San Francisco area.

His study of the San Diego assessor's office triggered District Attorney Don Keller into action. Liberals in San Diego—including some members of the press—have castigated Keller for his actions. But they overlook the fact that the D. A. has

Chamber May Move Lemon Grove Office

Financial difficulties may cause the Lemon Grove Chamber of Commerce to give up its office at 3448 Main St.

In years past, the landlord has given the chamber free rent for the last six months of the year. This year the chamber must pay.

With only \$646 left in the bank account and prospects slim for end-of-the-year income, the chamber decided Tuesday, at its regular board meeting, to seek relief either by finding a less expensive location, or petitioning its landlord to negotiate a settlement. The chamber owes the landlord for four months' rent at present.

In other action, the board named a committee to develop a plan for promotions and to provide ways and means. The promotion would be self-supporting. Pat Grace, Ford dealer, was named chairman.

Chamber President Al Woods returned to the meeting after a two month's absence.

KEEPING BEAUTIFUL—While Supervisor Frank Gibson was in New York to accept an award of an engraved sterling silver bowl from Keep America Beautiful, Inc., Supervisor Henry Boney stayed home and helped beautify the surroundings by inviting local beauty queen Dianne Wyatt to share in the notice of the acclaim.

Gibson is accepting the first annual county award "in recognition of its (San Diego County) achievements in the field of litter-prevention on a county-wide basis." Mrs. Lyndon Johnson is taking part in the New York presentation. Miss Wyatt, who is Miss Lemon Grove, is a nurse and a church vocalist.

Vacation Pictures Is Club Program

The Lemon Grove Men's Club will have an opportunity Friday to see vacation pictures taken by the town's mortician, Ken Conrad, and the postmaster, Frenchy Faucher.

The pair, together with their wives, covered more than 5,000 miles recently going into Canada. The pictures will be slides in color, Conrad said.

The club meets every Friday at noon at Michael's for a no-host luncheon. All males are invited.

FIREMEN SET OPEN HOUSE

The Lemon Grove Fire Department will mark National Fire Prevention Week Saturday with open house at the fire station, 7853 Central Ave., from 10 a.m. to 4 p.m., it was announced by Fire Chief H. L. Hensley.

All children will be welcome, but must be accompanied by their parents, the chief said. Firemen will be on hand to show the workings of the fire department. Free coffee and punch will be served.

S.V. Citizens Group Asks Grand Jury Aid

The Spring Valley Citizens Committee, meeting Tuesday night at the S. V. Elementary School, adopted a resolution asking a Grand Jury investigation of the reasons why teenage dance noises cannot be abated at the S. V. Chamber of Commerce building on Memory Ln.

R. C. Roland, association president, said a resolution was also directed to the County Board of Supervisors with a request that they interest themselves in the problem with emphasis on the sheriff's department's failure to keep the noise below acceptable levels.

Copies of the resolution are being made available to all news media in the area, Roland said.

Dances are held for teenagers each Sunday night at the Chamber's meeting hall.

In other business, the association heard a report by Mrs. Diane Klostermeier, of the Brookside Mothers Committee. The two groups agreed to work jointly on a Brookside drainage ditch problem.

Retirement Speed-up To Better Employment

WASHINGTON — Accelerated retiring of Civil Service workers and replacement of some armed services workers with civilians will help improve the employment picture in San Diego within the next few months, Rep. Lionel Van Deenlin (D-S. D.) said this week.

Van Deenlin pointed out that President Johnson has signed into law a bill giving about 160,000 prospective Federal retirees an 8.1 percent bonus if they retire before Dec. 1, 1965.

At the same time, the Congress noted, the Defense Department is making plans to hire more than 108,000 additional civilians over the next several months; 60,000 of them will replace officers and enlisted men who will be given combat assignments.

County GOP Chairman Backs Grossmont Bonds

Rear Admiral Leslie Gehres (USN-Ret.) of La Mesa, chairman of the Republican Central Committee of San Diego County, Tuesday announced his support of the \$3½-million Grossmont College construction bond issue. He joined the growing tide of endorsements for the Grossmont College bond election on Oct. 19.

Karl Tuttle, chairman of the Grossmont College Campus Completion Committee said: "It's certainly satisfying to all those connected with the bond drive to see this actually overwhelming support of a project vital to our children's future."

The college already is far beyond the day student enrollment projected as full capacity for the present plant.

Admiral Gehres said: "It is very evident to me, that facilities are needed to complete this worthy addition to our community resources. For a strong America, our children must be assured the opportunity for post-high school education, and Grossmont College has well earned its privilege of providing that opportunity."

"Voting 'No' on Oct. 19 would, in my opinion, be tantamount to closing the school door on hundreds of young men and women," he added.

PTA Endorsements
Among the especially significant organizational endorsements are those from the Ninth District Parent Teachers Association, encompassing San Diego County, and from the League of Women Voters of Grossmont-Cajon Valley.

Other organizational endorsements have come from: Chamber of Commerce boards of directors of El Cajon, Spring Valley, Lemon Grove, Lakeside, La

A membership drive is continuing, Roland said.

'Mr. Sidewalk' To Give Prizes

"Crazy Daze," a promotion of the merchant's division of the Lemon Grove Chamber of Commerce, will be staged Friday and Saturday, Oct. 15-16, according to Bob Mastny, merchant's division chairman.

Included in plans will be a sidewalk sale, free giveaways, rolling entertainment, free refreshments and several displays.

A "Mr. Sidewalk" will stroll throughout the shopping area and will present prizes to any person 16 years of age or over who asks him if he is Mr. Sidewalk. A sound truck will also canvass the area, inviting the shoppers to take advantage of this sale.

Mastny said several stores have indicated that they will serve refreshments.

Service clubs and organizations will be putting on displays, including a "Driver's Safety" program by the Lemon Grove Women's Club.

Gigliotti Banquet Draws 700 Admirers

Nearly 700 admirers heard a score of speakers pay tribute to Dr. Frank Gigliotti Saturday night at the Balboa Park Club in Balboa Park.

Dr. Gigliotti—"Jiggs" to his intimates—had been named Kiwanis "Man of the Year" by the Lemon Grove Kiwanis Club. Paul Reynolds, club president, said that Gigliotti had given hope and meaning to those who viewed charity and service as a way of American life.

Theme of the dinner was "My Dream for America" and a long list of head-table dignitaries reviewed Gigliotti's history and

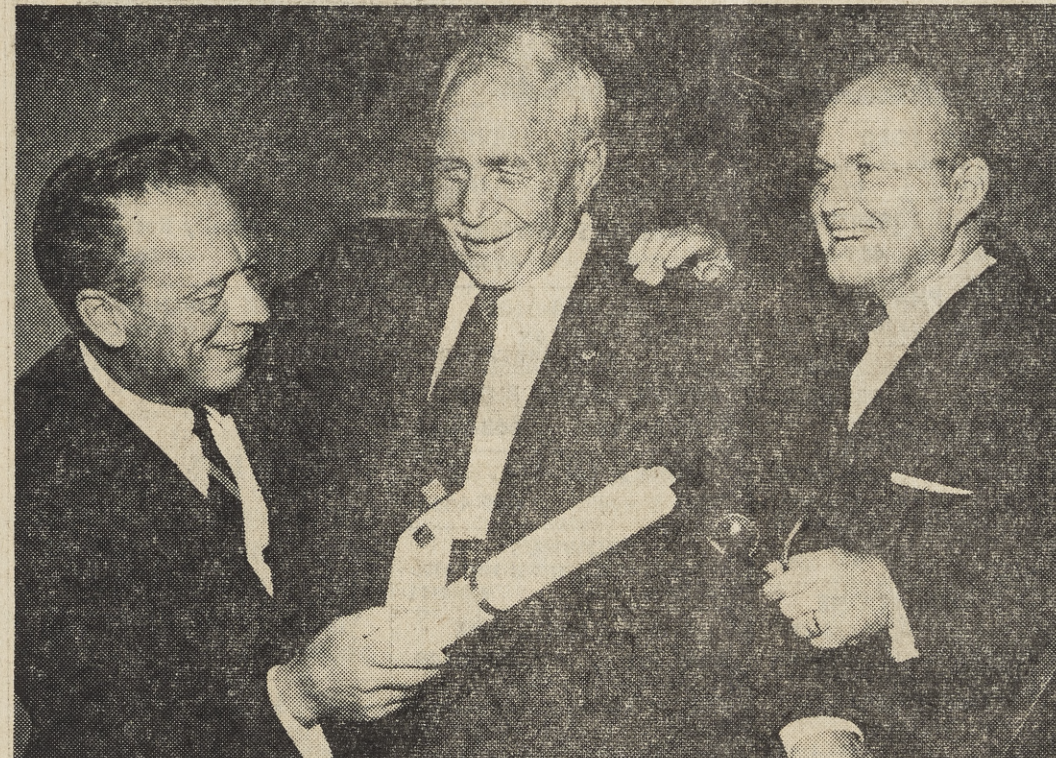

equated it to the theme.

Among those who took part were the Rev. Jimmy Johnson, pastor of the Skyline Methodist Church; Miss Diane Wyatt, Miss Lemon Grove; Robert (Bud) James, County Clerk who was also master of ceremonies; Irene Cantos, Starlight Opera star vocalist; the Hon. Judge Luther Hussey, who made awards to winners of a junior high-school essay contest; and Stan Rogers, program chairman, who wrote the script depicting Gigliotti's life.

NEW MATERIAL — These 7th and 8th graders from Lemon Grove Lutheran Church are currently using new confirmation material put out by the National Parish Education Department of the American Lutheran Church. The Lemon Grove church is one of more than 3,000 congregations of the American Lutheran Church which have begun using the new materials.

New Confirmation Program Started By L.G. Lutherans

A new confirmation curriculum for junior-high-age children has been instituted at Lemon Grove Lutheran Church. It covers a three-year period of instruction for boys and girls of 7th, 8th, and 9th grades.

New material, put out by the National Parish Education Department of the American Lutheran Church, is being used. The local church is one of more than 3,000 congregations of the American Lutheran Church using this new material.

The course is designed to integrate the church and home as a more dominant influence in the confirmand's total life.

"The dominant concern in the preparation of this new confirmation curriculum is that the word of God will live in the hearts of people and be expressed day by day in life," according to the Rev. Roger Berg, pastor.

Five years in the making and costing upwards of a quarter-million dollars. The course

represents a striking in-depth approach to confirmation training.

There are nine specially-trained Lay Catechists, in addition to the Pastor, who are teaching the new material: Mrs. Doris Anderson, Mrs. Adelaide Good, Mrs. Lorraine Waterman, Mrs. Gretli Granstedt, Alvin Larsen, Raymond Granstedt, Marion McAnear, Howard Swanson, and Dr. Donald Johnson.

William Kreckler Funeral Is Held

Funeral services were held Monday at the Lemon Grove Methodist Church for William J. Kreckler, who died at the age of 56 at his home at 7494 Pacific Ave., Lemon Grove. He had lived here for six years.

Interment was at Mount Hope Cemetery, with Conrad Mortuary in charge of funeral arrangements.

Mr. Kreckler leaves his wife, Wilhelmina, and two sons at the home, Wilhelm J. Kreckler Jr. and Julius, a daughter, Mrs. Elly Vakken of Los Angeles, and two grandchildren.

The six evening lectures will begin at 7:30 p.m. and will feature topics such as "Truth vs. Propaganda on Vietnam and Communism," Capitalism Choice: A New Conscience or a Dictatorship American Style," and "The White Supremacy is Over: What Next?"

Talk Monday For Christ Scientists

Neil H. Bowles, lecturer on Christian Science, will discuss the spiritual and scientific significance of the Scriptures in a one-hour lecture here Monday at 8 p.m.

He will speak under sponsorship of First Church of Christ, Scientist, La Mesa, at the church edifice, 8262 Allison Ave., La Mesa. The title is "Christian Science Meets Humanity's Needs."

A native of Chicago, Ill., Mr. Bowles withdrew from business several years ago to devote his full time to the public practice of Christian Science healing. He is also an authorized teacher of the religion and has served from time to time as speaker on Christian Science radio programs.

Since becoming a member of the Christian Science Board of Lectureship in 1958, he has traveled widely in Europe and other areas as well as the United States and Canada. His present home is Atlanta, Ga.

Reality, Illusion Are Service Topics

The spiritual dividing line between reality and illusion will be examined at all Christian Science services this Sunday.

The Golden Text is from Paul's epistle to the Romans: "The law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death." The subject is "Are Sin, Disease, and Death Real?"

Explanatory passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include this statement: "Neither evil, disease, nor death can be spiritual, and the material belief in them disappears in the ratio of one's spiritual growth" (p. 368).

Mass Of The Angels Held For Castro Child

A Mass of the Angels was held Tuesday at Santa Sophia Catholic Church for Denise R. Castro, two-year-old daughter of Mr. and Mrs. Richard Castro, 5972 Streamview, San Diego. Interment was at Mount Hope Cemetery, with Conrad Mortuary in charge.

The family recently moved from Spring Valley. The child died Friday of leukemia. The Castros have one other child, an older boy.

Pastor Selected To Attend Special Retreat Conference

The Rev. Keith Mitchell, pastor of Trinity Presbyterian Church, has been invited by the Board of Christian Education to attend a special conference of "experienced pastors" (those who have been in the ministry approximately 15 years).

The conference is scheduled for the latter part of Oct. at Asilmar Conference Grounds in Northern California. Reverend Mitchell said he expects to be gone about a week.

The conference is designed as a time "for those pastors to withdraw for a while, to rethink their theology, to take a fresh look at their vocation and to discuss, together, what the Holy Spirit is saying to the church today."

The date of Oct. 24 (Sunday) has been set for the congregation to hear a report from the Senior High group, regarding their work last summer in the flooded areas of Scotia, Calif. Enhancing the report will be pictures. A potluck supper, beginning at 6 p.m., will be held in conjunction with the meeting.

The Senior Highs recently elected their officers for the coming year. They are: Moderator, Kathy Edgar; vice moderator, Jerry Robinson; work-tour chairman, Carol Hightower; assistant work-tour chairman, Wes Green; social chairman, Bonnie Daniels; assistant social chairman, Steve Wyril; publicity chairman, Judy Gard.

the responsibility—and the obligation—to explore activities in these areas and to call the results of these explorations to the public's attention. It must be remembered that the assessor's office was rocked by scandal prior to the McQuilken's regime and the department is no less sensitive to suspicion as a result.

McQuilken, an elected official, has probably committed political suicide by his reticence. One wonders why an elected official would jeopardize a job that will pay \$23,000 a year by refusing to answer questions that would apparently not incriminate an innocent officer.

His refusal not only brings up questions concerning the operation of his department, but it casts a shadow of suspicion on the County Board of Supervisors—that body of lawmakers responsible for the rules by which the assessor's department operates and sits as a board of equalization on assessments.

Is the assessor, by his refusal to respond to questions, shielding one or more of the supervisors?

What are the answers to these questions?

McQuilken knows, but he won't tell reporters the time of the day.

Newsman Harris may know, but he's not ready to put his findings into print.

The district attorney may know, but he needs incontrovertible proof of irregularities before he makes a case.

McQuilken produced a 13-page letter which was issued to the Board of Supervisors Tuesday afternoon in which he claims to have answered the 58 questions the Supervisors wanted answered two weeks ago. We felt that many of these answers were generalizations.

The assessor's office, probably as much as any, needs to convince the public of its integrity. When the department which controls the amount of taxes property owners must pay becomes suspect, the whole system of "fair shares" of carrying the cost of government becomes suspect. San Diego County needs not suffer this pain.

Reader Sales Will Aid Welfare

Well, here we go again.

We're mounting another subscription campaign, and as usual, local charities will benefit.

In Lemon Grove, the Lemon Grove Welfare will get 10c for every new subscriber our salespeople acquire.

According to Mrs. Margaret Sayward, chairman of the welfare organization, the group's pantry is almost bare.

A considerable expense is involved in mounting a subscription drive. Salespeople who call local residents must be paid. Then there is the cost of printing the newspaper and delivering it for a full year. The year's subscription cost is \$3.50. Out of this amount the salesperson must be paid; bookkeeping and billing must be paid; and the directory, used to call prospects must be purchased.

After that, there are 52 issues of the newspaper published during the year and they must be delivered by the post office, and postage must be paid for delivering them.

The plus advantages are that the newspaper becomes a greater force in the community and that the newspaper is more attractive to advertisers. Advertising income is the backbone of a newspaper.

We will pay into the local charity 10c for every new subscriber obtained by our salespeople. We will pay 25c to the welfare group if the subscription is not obtained through our salespeople, since these people get a commission as well as a salary on new subscriptions.

Already we have had several subscriber-contributors volunteering so that the welfare group would profit more. The first two were:

Carl Mohr of 1815 Sweetwater Rd., and Mrs. Ralph Culver of 873 Glencoe.

As the campaign continues we will publish the names and addresses of those who participate.

As we strive for more readers we are again reminded that any community is happier for having an honest and dependable newspaper.

Citizens Honor An Unusual Man

Residents of Lemon Grove and Spring Valley, almost 700 of them, converged on Balboa Park Saturday night to pay homage to Dr. Frank Gigliotti, a local man who has carved his name on the hard rock of social, fraternal, religious, and charitable advancement.

Speakers at a banquet honoring him told of the contribution Gigliotti has made to religion in giving so much of himself as a minister of the Presbytery and by serving as chairman of the National Association of Evangelicals.

They told of his effort following WWI for obtaining American citizenship for those who fought on the side of the U. S. Expeditionary Forces.

They told of his work to bring equality to members of minority groups.

They told how he regained millions of dollars of Masonic property for the Order after it had been confiscated by the Italian government—not once, but twice.

They told how he served as a member of the Office of Strategic Services as a colonel in the U. S. Army in WWII with assignments so secret that even his wife didn't know about them until years after the war was over.

They told of his service to the State of California in welfare and in youth aid matters.

They told of his effort in the interest of the Red Cross, Goodwill Industries, and with immigrants who have run into problems or with red tape of the U. S. government.

It was an exciting and tearfully emotional evening that held the huge audience spellbound.

Dr. Gigliotti who has had personal acquaintances with every president starting with Hoover, brought some fine historic remembrances to the stage of the Balboa Park Club Saturday.

We think Lemon Grove and Spring Valley residents are more fortunate for having a man such as Dr. Gigliotti living in the community and a vote of thanks should be rendered Kiwanis President Paul Reynolds for sponsoring the event.

PANCAKERS — Mt. Miguel's Choir members, Susie Wingate, Sandra Wingate, Sharon Winship, and Jan Norman, join the campaign to sell Pancake Festival tickets at College Grove shopping center Friday and Saturday. The Spring Valley Kiwanis Club will sponsor the event Saturday from 7 a.m. to 7 p.m. in the Mt. Miguel High School cafeteria to help raise the necessary \$4,400 to send the Girls' Ensemble on concert tour to Mexico in December. —Photo by Michael Scheekloth

Pancake Festival Slated Saturday at Mt. Miguel

"When your heart is in your dreams, no request is too extreme. . . ." is the carol on the lips of the 17-member Mt. Miguel High School Girls Ensemble these days.

Why? Because they won permission from the Grossmont Board to travel to Mexico City and the surrounding cities on a cultural tour beginning next Dec. 16. Their itinerary will include, Guernavaca and Acapulco. Tentative performances have been scheduled for the Guadalupe, the U. S. Embassy in Mexico City, the Mexico City Rotary Club, the Teachers' Sindicato of Mexico City, the Mexico City Baptist Church and a concert sponsored by the Ministry of Education.

To Finance Tour
Finances for the \$4,400 tour will be raised entirely with the

assistance of civic-minded organizations, individuals, benefit concerts and incidental money-raising projects.

The Spring Valley Kiwanis Club is sponsoring the first such project Saturday when they host a Pancake Festival in the Mt. Miguel cafeteria from 7 a.m. to 7 p.m.

On the menu is pancakes, sausage, and coffee or milk. Tickets for adults are \$1; for children under 12, 50c.

With their director, Robert Boucher, the girls will participate in such cultural activities as the "Mexican Posadas" festivities, attend a performance of the Ballet Folklorica, enjoy an evening of folk dancing with the high school students of the Friends Service Committee of Mexico, visit the famous pyramids, and observe the colorful architecture of the area.

Interpret the needs of the colleges to the community, and cooperate in the teacher education programs at the institutions.

Mrs. Netzley was appointed by Mrs. G. D. Edwards, San Diego, state president, because of her extensive background in both PTA and teaching. She has served as president of Lemon Grove Elementary, Mt. Helix Council, and Ninth District PTAs. At present she is serving the district as second-ary service chairman.

She and her husband live at 2324 Golden Ave., Lemon Grove. Their son Ronald is employed at the Scripps Institute

Sports Stadium Given Approval

Endorsement of a proposed multipurpose stadium for San Diego has been approved unanimously by the Board of Directors of the San Diego Convention and Visitors Bureau.

San Diegians will vote on the stadium in the Nov. 2 city elections.

The Bureau consists of nearly 300 businesses and professions which are joined together in a countywide effort to promote the area's visitor industry.

Gilbert R. Fox, first vice president, said "It is the consensus of the Bureau's directors that the stadium will enhance San Diego as a major league sports center. In turn, the stepped-up publicity about San Diego in the world of major league sports will add to the city's image as a large, dynamic metropolis which is a member of the major league cities of the United States."

He said this will create a better national environment in which the Bureau can promote the expansion of the visitor industry and attract more visitors and conventions to the community.

"Visitor spending is a great boon to San Diego's economy," Fox said. "Each dollar spent here turns over approximately eight times and eventually benefits every man, woman, and child in the area."

Fox said that in 1964 visitors left \$233.6 million in San Diego County. He said much of this spending resulted because far sighted San Diegians had built facilities to attract visitors.

Aztecs Tangle With Long Beach In Important CCAA Contest

A pair of nationally ranked college division teams will be meeting on the Aztec Bowl gridiron Saturday when San Diego State entertains Cal State of Long Beach in an important California Collegiate Athletic Association (CCAA) contest.

The affair will pit two well-matched, undefeated teams with 10th schools sporting 30 records. Long Beach has defeated Nevada 47-0; Cal Poly Pomona 36-0; and Sacramento State 34-7.

The Aztecs topped University of Pacific, 46-6; University of Akron, 41-0; and Cal Poly of San Luis Obispo, 41-0.

Big guns in the Long Beach attack have been halfback Le Shy, older brother of the Aztecs' Don Shy; quarterback Jack Reilly, a junior college all-American while at Santa Monica City; and end Shelley Novack who caught 11 passes against Sacramento last Saturday.

The Aztecs who had banked on their passing game in their first two wins, came through with a running attack Saturday against Cal Poly, piling up 287 yards on the ground to 152 through the air.

Don Shy led Aztec runners with 136 yards and two touchdowns, one on a 48 yard run through the Mustang secondary. Teammate Nate Johns, who leads the Aztecs in rushing with 261 yards and a ten-percentage average, ground out 121 yards.

All-American end Gary Garrison was sidelined for the contest after a slight hamstring muscle pull did not respond to treatment during the week. The 6-1 senior will bring a record of 20 receptions for 273 yards and three scores into the 49er game.

Flanker Craig Scoggins filled in for Garrison and caught nine passes for 101 yards and one touchdown. Tight end Ron Flisher, a transfer from San Diego City College, was named Aztec offensive Player of the Week for his performance against the Mustangs.

"He was just shifted to that position, from guard, last week and did an outstanding job," said Coryell. "He will help us considerably this season."

Coryell also commended the play of guard Larry Findley who took over at a guard spot when regular Doug Ellerts came down with a strept throat the day of the game.

Horn, who has a 64 per cent completion mark, completed ten of 24 attempts for 122 yards and one score to make his total 38 of 59 for 575 yards and six touchdowns.

The Aztec defensive team limited the Mustangs to a minus 53 yards on the ground and 42 through the air. Tackle Ken Madison was named the outstanding defensive player of the week with 11 tackles, 12 assists one intercepted pass for a touch down and one fumble recovery.

The Aztec defense has now limited three opponents to a minus 65 yards on the ground and 306 yards through the air for a total offense figure of 241 yards or an 80.3 average over three games.

Matadors Face Eagles In Top Loop Contest

Mount Miguel High's potent tridders will host 1964 Granite Hills Friday night at Miguel field in a loop contest that could decide the 1965 titlist.

Both Miguel and Granite Hills are considered top-notch contenders to the throne shared a year by the Eagles and Felix's Highlanders.

Last week, the Matadors, coached by Perry Miller, downed San Diego High, 14-6, while Granite Hills was administering a 33-7 lashing to Castle Park's Trojans. Both contests were regular season openers.

The Matadors offense is sparked by halfback Daine DeMarce and fullback Wally Johnson, also a sterling defensive performer. Senior tackle Ken Patterson shores up a tough defensive crew.

Granite Hills can offer fullback George Brown, a 220-pound bull who runs the 100 in :10.3, and halfback Walter Weir, another sprinter with power.

Second-team all-CIF guard Alex Garcia is the leading Eagle lineman.

The game will have an 8 p.m. kickoff.

Monte Vista, which cracked a

game losing streak by toppling Mission Bay 13-0 last week, will visit El Cajon's Braves at the new Valley Stadium in El Cajon.

El Cajon also won its opener last Friday, whipping Clairemont, 14-6.
